## FORESTERS WHOLE LIFE INSURANCE

The PlanRight series is a series of whole life insurance products designed to help cover final expenses such as the costs associated with funeral and burial expenses, probate fees or other financial obligations that your client's family may face in the event of death. Many funeral expenses run over \$10,000 and can create a significant burden on loved ones.

They provide guaranteed and level premium and make use of a simplified application.

*For clients concerned with protecting their families from the high costs of settling final expenses, Foresters offers a whole life insurance product designed to help meet those concerns.*

## FORESTERS PLANRIGHT SERIES

- Level: the death benefit is equal to the full face amount of the certificate.
- Graded: the death benefit is 30% of the face amount in year one; 70% of the face amount in year two; 100% of the face amount in year three and later. During the first two years, the death benefit is topped up, meaning that the death benefit is 100% of the face amount, in the event of accidental death.
- Modified: the death benefit, is, in the first two years, equal to the return of premiums paid plus 10% interest<sup>6</sup> annually; 100% of the face amount in year three and later. During the first two years, the death benefit is topped up, meaning that the death benefit is 100% of the face amount, in the event of accidental death.

## TARGET MARKET

- Clients who desire coverage for final expenses and who don't want to go through the hassles of full underwriting
- Hard to place clients

## RIDERS AND ADDITIONAL BENEFITS

The **Accidental Death Rider (ADR)** provides an additional death benefit in the event of an accidental death, caused by an accidental bodily injury, and if death occurs within 365 days of that injury. ADR is available on PlanRight – Level only.

The **Common Carrier Accidental Death Rider (CCADR)** provides an additional death benefit<sup>7</sup> of up to two times the face amount if the insured dies within 90 days of, and due to an accidental bodily injury that occurred on a common carrier while a fare-paying passenger.

For all PlanRight plans, the **CCADR** is available at no additional cost.

The Accidental Death Rider and Common Carrier Accidental Death Rider can continue until the insured's age 121, which means that the benefits stay with the insured throughout the life of the certificate!

## HOW TO QUALIFY

The application for PlanRight products includes Medical Questions with parts A, B and C.

- If the client answers "Yes" to any of the questions in part A, the client is not eligible for any PlanRight product.
- If the client answers "No" to all questions in part A, but "Yes" to one or more questions in part B, the client is eligible for **PlanRight – Modified**.
- If the client answers "No" to all questions in part A & B, but "Yes" to one or more questions in part C the client is eligible for **PlanRight – Graded**.
- If the client answers "No" to all questions in all three parts, the client is eligible for **PlanRight – Level**.

## THE APPLICATION PROCESS OVERVIEW

1. Section 2 (Medical Questions) of the application is completed by the producer with the proposed insured for pre-screening purposes.
2. The producer must call Apptical at 1-866-844-9276 after sections 1-10 of the application have been completed and signed. A personal health interview (PHI), MIB and prescription history check will be conducted with the proposed insured to verify that the information is consistent with the answers in the application.
3. Based on the results of the PHI, MIB and prescription history check, eligibility for the plan type selected (in section 6 of the application) may be confirmed or denied.
  - If eligibility for the plan type applied for is denied and if the proposed insured is eligible for another plan type:
    - the original application form should be revised and initialled by the proposed insured, owner and producer
    - a new page 4, i.e. sections 10 and 11 in full must be completed to replace the original page
    - producer must confirm in the Producer Report that a new page 4 was completed
  - If the proposed insured is not eligible for any PlanRight plan or if the owner/proposed insured does not want to proceed with the application:
    - the signed application must still be submitted to Foresters (due to the PHI being initiated)
    - it should be indicated in the Remarks section of the Producer Report that the application is being submitted as "withdrawn"
4. After the interview, sections 11 and 13 (Acknowledgement of First premium) should be completed and signed, once the eligibility has been confirmed and first premium accepted. Section 13 must be given and left with the owner. Section 12 (Notice of Information Procedures) should also be left with the proposed insured (even if application is "withdrawn").
5. The Producer can now send the completed application by:
  - Fax to 1-866-300-3830 (include a photocopy of a void check or checks must be mailed or couriered)
  - Mail to Foresters, Attn New Business, PO box 179, Buffalo NY, 14201-0179
  - Courier to Foresters, Attn New Business c/o Frontier Distributing 1000 Young St Suite 160, Tonawanda NY 14150

### Additional notes:

- The Producer will be notified of situations where the face amount is **more** or **less** than applied for, based on the premium submitted, and allowed 1 business day to advise us **not** to proceed. Otherwise, the certificate will be issued for the adjusted face amount.
- Checks received with applications will be cashed and "held" until the certificate issue date.
- The certificate comes into effect on the issue date when the first premium is collected on or before that date and no changes in the proposed insured's insurability between the application signed and issue date.
